August 22-23, 2020
The 12th Sunday

GREAT NEWS! We plan to continue our live-streaming service of the Divine Liturgy for the fore-seeable future to benefit all our shut-ins here at the parish and those far and wide in the Land. This weekend we will transmit on Saturday at 6 pm. Next weekend we will send out the Liturgy on Sunday, the 30th of August at 9 am. We thank all our faithful for mailing in their donations, even as we thank all our distant viewing audience for their financial help via the USPS.

MORE GOOD NEWS! This fall we will conduct our Parish School in a virtual mode through the "magic" of the Internet. This service will be available for all our parish youth from Preschool through Highschool including First Holy Eucharist. This educational program will also be made available to youngsters throughout the region and beyond. All our teachers and staff will meet for a planning session next Sunday, the 30th at 10 am at the Church. Folks, we will make some history this fall in our parish thanks to the generous and loving catechists-educators in our Parish!

OUR CHURCH IS NOW OPEN to the public for divine services. All attendees must wear face masks and maintain social distances from each other, except for family members. These cautions are not an infringement on one's liberty, but acts of Christian charity for one another, as well as the universal advice of the US medical community. So come and pray with us in Church. Our Lord and a face mask will keep us safe!

OUR CHURCH IS ALSO CONSIDERING providing a series of lectures for adults on our Faith this coming fall season, starting in October. Various talented speakers will provide these talks on the Internet. We are currently working out more details on this program for our parish adults and hope to tell you more in the next few weeks.

ARCHBISHOP BORYS was much impressed by his visit to our parish two weeks ago. He loved our parish liturgy and the beautiful parish campus. He also appreciated the generosity of our parish and several individuals in his behalf. We thank all the good folks who prayed with us at this historic event in our parish.
