"Glory to Jesus Christ"
"Slava Isusu Khristoo"

Oct. 24-25, 2020 The 21st Sunday

THIS WEEKEND we will live-stream our Holy Liturgy throughout the Land on Sunday, the 26th, at 9 am. Please tell all your shut-in friends and neighbors about this great opportunity to gather with us in song and prayer, as we praise the Lord Jesus Christ. Next weekend we will livestream the Holy Liturgy on Saturday evening at 6 pm. We perform these extraordinary services so that we all can still be together as one Parish, One People, one Church in these divisive times.

OUR PARISH SUNDAY SCHOOL IS MOVING RIGHT ALONG, AS WE TEACH OUR CHILD—ren every Sunday at 11 am on the Google Meet platform. This education—al program is for all youths from Preschool through highschool, including First Holy Communion, no matter where the family may live. To register for our School, punch in our Parish's website and fill out the sign—up form for your young ones. We will contact you and and connect you to the proper grade and teacher. By the way, it is all free!

THIS WEEKWE ARE CONTINUING our annual pre-winter maintenance work on our parish campus. We have contracted with the Hooven co. to paint the fascia board and soffits at the rectory. We have met with the J Door Co. about installing a new door for the church on the left-front of the interior. We will inform about the cost of these projects.

OUR PARISH HAS DONATED the use of our parish hall for the second ward in Bridgeport as an official voting site Nov. 3. We continue to serve the community, our good neighbors, because it is our Christian duty. Be sure to cast your vote, this fall, either in person or by mail, because this too is your Christian duty.

WE ARE SO VERY GRATEFUL to all our good and faithful folks for their generosity to our beautiful parish here in Bridgeport. We thank both our dear Parishioners, as well as online friends for mailing in their donations. We could not do without you! We pray that the Good Lord Jesus, Doctor of our souls and bodies, will keep you safe and healthy. DIVINE SERVICES FOR THE WEEK
