August 29-30, 2020 The 13th Sunday

Our great live-Streaming program will continue this weekend on Sunday at 9 am, as we beam out the Holy Liturgy across time and space on the You-Tube platform. Please tell all your friends and neighbors about this terrific opportunity to pray and sing with us via the Internet. This service can be reached by checking in with our parish website, as seen above, and follow the guidance therein.

Our Sunday School Program for all our school-age youth will be conducted this fall on-line and not in our school building. Parents can find a registration form on our Church website this coming week for all their children, Simply fill out the form for each child. Simply fill out this form for every child and hit the submit button. This program is free for all our families and we even welcome non-parishioners to share in this terric educational-catechetical program that includes First Solemn Communion classes.

Our dedicated and loving catechists will all meet today, Sunday, at 10 am at the Church, as we make our plans for the truly historic event of teaching on-line our dear parish children. This new ministry will demand a new and challenging effort from all of us. But we trust that our dear Lord and great teachers will see to oursuccess.

OUr Parish is now open to celebrate both marriages and baptisms. Simply call Father Ronald to make arrangements for these sacraments in your family. Next Saturday we will celebrate the wedding of Stephanie Anton and Michael Lynch. May the Loving Lord Jesus bless this young couple with much love and a strong Faith in God "for many good years".

ALL CHURCH ATTENDEES must wear a face mask and keep a distance from each other except for families. This directive is the official mandate of both our church and civic officials, NOT a political statement. Rather it is a sign of our love and respect for one another. If you have difficulty understanding this matter, please speak to Father Pastor. WE ARE SO VERY GRATEFUL THESE DAYS for all our faithful, who are extra gen-

erous to our Church, both in person and by mail, during these difficult times of low attendance in Church. God love all of you good people.
